Final Expense Insurance

Policies that protect your family and give you peace of mind

Sometimes being prepared for tomorrow helps you live better today. To ensure you do well by your loved ones now and in the future, we offer competitive whole life insurance for end-of-life costs, such as funeral or cremation expenses, medical bills, and anything else your family may need help with. It's easy to qualify — even if you've never carried life insurance before or been turned down for a policy in the past.

WELL PROTECTED AND WELL LOVED

- **HELP THEM BE SUPPORTED** Relieve your loved ones of the financial burden of paying for final expenses. On average, a person leaves their family with \$62,000¹ of debt when they pass, a significant amount that is difficult to cover with Social Security's lump sum \$255 payment.²
- **GET A CUSTOMIZED RATE** Your health can positively affect your premium — the better your health, the better your rates.
- **BE COVERED NO MATTER WHAT** If you're between the ages of 40 and 80³, regardless of your health, you will not be turned down. You can receive up to \$25,000 in financial protection with no medical exam.

WHICH PLAN IS YOURS?

- **THE GREAT ASSURANCE® PLAN** is an immediate benefit, first-day coverage plan for those in good health. It has two riders — Accelerated Death benefit (included at no extra cost) and Accidental Death benefit (optional).
- **THE GRADED BENEFIT PLAN** is for those who have several health conditions. It pays out the benefit according to how long you've had the policy. The plan pays the full face amount if the death is accidental during the first two policy years.
- **THE GUARANTEED ASSURANCE PLAN** is a guaranteed issue plan that requires no health screening. If your health limits you from qualifying from other plans, you can be covered by a Wellabe plan.
